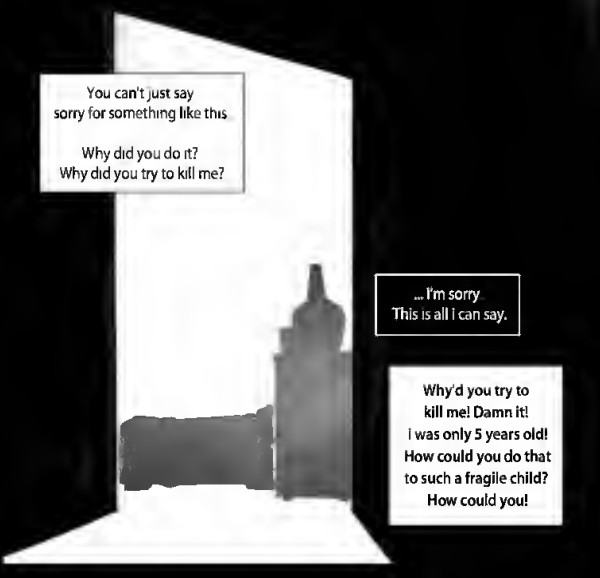
Daddy...
Why'd you do that to me?

I'm so sorry Kim.
I'm so terribly sorry...
Why'd you do it?
I'm so sorry...
CHIVAS REGAL
12



You can't just say
sorry for something like this
Why did you do it?
Why did you try to kill me?
... I'm sorry.
This is all I can say.
Why'd you try to
kill me! Damn it!
I was only 5 years old!
How could you do that
to such a fragile child?
How could you!

... I tried to apologize.
That night, I was too drunk.
It was a mistake, the greatest mistake of my life.
But
I was afraid.
I was very afraid.
Since then, every time I saw your face, I recalled that night.

I wronged not only you but Elizabeth as well.
Whenever I saw your face... it felt like Elizabeth was scolding me.
That's when I started avoiding you.
I just...wanted to forget everything that happened that night.
Is that why you didn't do anything when I tried to kill myself?
Not once did you bother visiting me, even though me, your daughter, attempted suicide.

And all this time,
this entire time,

Not once,
not even once!

Had you visited
me even once...

Had you come
find me just once...

and told me that
you were sorry...

Had you...
just apologized...

To be continued...
